Students wishing to take courses at the graduate level will be required to get course permissions from the applicable UVic departments. The ICS exchange team will liaise with these students to request course registration permission from the UVic department(s) where the student plans to complete courses. The student's registration will be approved on a course-by-course basis.

English Requirements

The language of instruction at UVic is English. UVic English Requirements are TOEFL iBT 90 (No section less than 20) OR IELTS 6.5 (No band less than 6.0). **We do not require incoming exchange students to provide proof of satisfying UVic's English Language requirement.** We trust that our partners will select and nominate students whose proficiency in English is suitable for a university in which courses are taught in English.

Non-English majors planning to take an English course should take the [Academic Writing Self Placement Test](#). Select: 1) Academic Writing Requirement (AWR), 2) Selecting an AWR-designated course, 3) self-placement questionnaire.

Course Selection and Registration

Once students are accepted into the UVic ICS Student Exchange Program they will receive step-by-step instructions for course selection, course registration, and timetable planning in an email.

Students will need to confirm with their home adviser for the number of courses that they are required to take at UVic.

Course Catalogue: [UVic Calendar: Courses by Subject Area](#) *Please note: not all courses listed are offered every year. Current timetable information is available on the [UVic Class Schedule Search](#)*

Course Registration: Students are required to register for first and second term courses on-line in June.

All exchange students should consult with their home exchange adviser regarding exchange transfer credit and how your exchange courses will transfer back to your home institution. For reference, typically, each single-term course at UVic is worth 1.5 units. In most cases 1.5 UVic units is equal to 6 European Credit Transfer System (ECTS) credits.
