

BECOME AN INNOVATOR ENTREPRENEUR CHANGEMAKER

At the Charles Chang Institute for Entrepreneurship, we defy norms at every turn.

Join us at the Chang Institute for a highly experiential exchange semester, and Activate your education with the Entrepreneurial Mindset.

Did you know if your home university has a formal exchange/study abroad agreement with SFU you can access innovation and entrepreneurship (I&E) courses and unique co-curricular opportunities through SFU Beedie's Chang Institute?

The Charles Chang Institute for Entrepreneurship (Chang Institute) is the interdisciplinary home and academic hub for unleashing the entrepreneurial mindset and community at Simon Fraser University.

Combine I&E courses with other disciplines at SFU, or dive into a fully immersive semester in entrepreneurship, it's up to you!
