Summer 2024

Intensive Japanese Language and Culture Course

Course Guide

Kansai University (KU), known as one of the leading universities in Japan with long history of over 130 years, is a comprehensive private university with 13 undergraduate, 13 graduate programs, and 2 professional graduate schools. There are over 30,000 students enrolled at the university including more than 1,200 international students. KU campuses are located in Osaka. They are about an hour train ride away from Kyoto, Kobe, and Nara.

Under the new vision for internationalization, KU opened Minami-Senri International Plaza in April, 2012. We are now offering an Intensive Japanese Language and Culture Course (IJLC) in summer and winter.

In IJLC Summer 2024, we provide a Japanese culture experience session and a field trip as well as instruction in Japanese as a second language. Participants will learn Japanese language, and understand Japanese culture and society from various perspectives. Another feature of the IJLC is that the participants can feel more familiar with Japan through interacting with KU students.

Why don't you come in contact with the practical Japanese language and various aspects of Japanese history and culture at Kansai University located in Osaka, the largest city in western Japan?

Homestay Plan

~What a wonderful opportunity to experience an Japanese family!!~

Staying in a Japanese home will give you a chance to learn about the culture, language and customs from an angle not seen from the outside. It can be tough to make Japanese friends and acquaintances while studying in Japan without a chance to **make the first step** (or *kikkake* as they say here), so wouldn't you love the chance to make your own home in Japan?

~Some benefits of homestay~

- Improve your Japanese - Use it or lose it! A homestay is the perfect chance to use the Japanese you learned in class every day in real life situations.
- Experience a bit of "everyday life" in Japan-Japan's culture is a lot different than you may expect! A home stay will give you a new perspective on the country and people.
- Make a home away from home-Make friendships you will treasure for life!

- ★ Breakfast and dinner included at home with your family.
*For Short-Term Homestay (Optional), accommodation for 3 days and 2 nights include 2 breakfast, 1 lunch and 2 dinner.
- ★ Free Wi-Fi if you require it.
- ★ Location approx. 30-60 minutes from the campus.
*It is your responsibility to pay for the transportation fees.
*There may be students from other countries staying in the same household.
