

# AUSTRALIAN STUDIES SUMMER SCHOOL PROGRAM 2026

## APPLICATION GUIDE

Welcome to the Australian Studies Program!

This application guide will help you when you are ready to register and apply for the program. The registration and application process has been divided into two parts.

If you are accepted into the program and wish to commit, you'll be invited to join a Facebook group to meet other international program participants. This way, you can receive latest updates and useful information about living in Australia as well as find out about upcoming events.

All applications must be made on the [Deakin Abroad Application Portal](#). If you have any issues with the application portal, please contact us at [deakin-summer@deakin.edu.au](mailto:deakin-summer@deakin.edu.au).

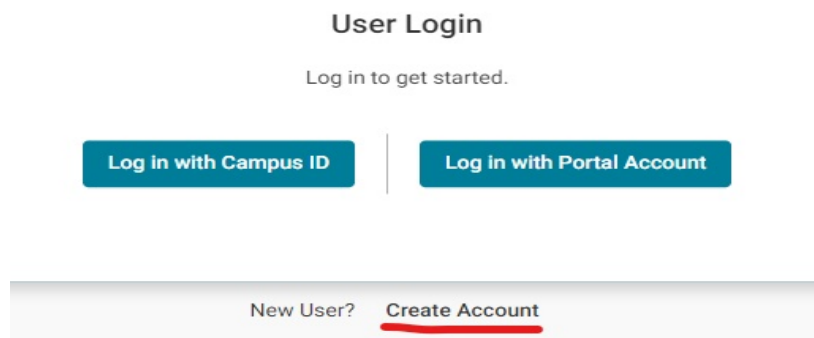

We look forward to meeting you in summer!
